

Samuel Smith's Beer and Cider In Cans!

Samuel Smith's Brewery - family-owned; established in 1758 in the village of Tadcaster, Yorkshire - has played a proud role in the American beer scene since 1978, bringing great flavors in every delicious drop of beer and cider. Now it's easier to enjoy unmatched deliciousness anywhere, with three classic, style-defining products from Sam Smith's sold in **four-packs of 14.9 oz. cans!**

- **Pure Brewed Organic Lager:** crisp, clean, brilliant all-malt lager; a nose that is a bushel of barley perfectly balanced by elegant hops. English lagers are rare! USDA Certified Organic. 5.0% ABV.
- **Organic Cider:** a real classic English apple cider, true to the orchard with apple flavor leaping forward. Finish is dry, but not austere; naturally gluten-free & USDA Certified Organic. 5.0% ABV.
- **Nut Brown Ale:** scrumptious, inviting, fruity, dark amber ale with a bit of nuttiness from judicious use of dark malts: the benchmark for a classic style from the north of England. 5.0% ABV.
