Family-owned Ayinger Brewery, est. 1878 in the foothills of the Bavarian Alps, has earned its global reputation for quality: every beer they make is a masterpiece.

Ayinger GoldenBock, or Maibock, a strong, full-bodied golden lager, is fall-brewed & lagered over the winter for spring & summer enjoyment. The first sip starts your journey: spicy, aromatic German Hallertauer hops to huge barley-malt flavor to enriching, full body; finally to the signature elegance found in every Ayinger beer.

**30 liter (7.92 gal) steel kegs - ABV: 7.5% - OG: 1.069 - IBU: 30
A limited, draft-only release**
