

Samuel Smith's Winter Welcome Ale: The Original Imported Winter Seasonal

Full-bodied, honey-amber ale; great depth, balance and malty richness. Share with friends when a chill in the air and frost on the trees make a warm fire and good conversation all the more inviting.

2021-22 marks the 32nd annual release!

This year the "Drayman" label gives a shoutout and thanks to all the great people in the beer business who deliver beer!

The Greyhound Inn, in Saxton, Yorkshire, has received beer deliveries for hundreds of years.

Samuel Smith's Brewery - Tadcaster, England - Est. 1758

Samuel Smith's

WINTER ALE WELCOME

The Old Brewery at Tadcaster was established in 1758. It is Yorkshire's oldest brewery and one of the few remaining independent breweries left in England. The hard crystalline brewing water is still drawn from the original well sunk in 1758, and the yeast strain has remained unchanged for over 100 years.

British beer of somewhat higher alcohol and richness has been enjoyed during winter for generations. Samuel Smith's Winter Welcome is the perfect beer to serve when friends get together to enjoy the season, and it is the **first imported winter seasonal beer** to be sold in the US, and 2021-2022 marks the 32nd release!

This year's "Drayman" label recognizes the hard-working folks who deliver beer to pubs, restaurants, and stores.

Taste: Honey-amber in color with great finesse and complexity. The head is creamy with a mass of tiny bubbles, like special cuvée champagne. Winter Welcome has a floral aroma and delicious malt flavor with great richness and balance.

OG: 1.056 - ABV: 6.0% - IBU: 32

Serving suggestions: Roast goose, smoked turkey with oyster dressing, candied yams, Smithfield hams, fresh pears and apples, Christmas cake and eggnog. Serve in a traditional Yorkshire tulip glass.
