Zundert

trappist
Est. 1900

Located among the forests and pastoral lands of the Netherlands, the monastery - "Abdij Maria Toevlucht" is the home of the Zundert Trappist Brewery. Built in 1900, this home for a community of French monks was called "Our Lady of Refuge."

The brewery was built in 2011 and beer production started in 2013. At the moment, there are 21 monks who make up the Trappist community of Zundert.

Taste: A beer that the abbey describes as 'slightly unruly' - Trappist 8 is a beer you must take time to savor and understand. Chestnut-colored and bottle-conditioned, with an aroma of caramel, herbs and spices; initially floral and slightly sweet; character develops from light caramel to a lovely, dry, mellow hoppy bitterness as the flavor opens. Brewed within the walls of Zundert Trappist Monastery by the monks of the abbey.
